**SENIOR PASTOR
REV. RICK IVEY**

**"It's better to live alone in the corner of
an attic than with a quarrelsome wife in a lovely home."**

Proverbs 25

How are your relationships? Relationships are a blessing when they are going well. Relationships can be a terrible burden when they are not going well. We are going to spend some time this fall discovering what God wants for our relationships and how God's power and guidance can help us with even our most difficult relationships.

We don't get a lot of training in relationships. When we are young, it is like we get handed a musical instrument we have never seen and then are told to play it immediately in public.

Most of the time, all we know about relationships is what we have learned on the fly. Only problem is that we also pick up bad relationship habits along the way.

I hope you will take the time to pray and think about how God can help you with all your relationships and join us in worship each week.

In Christ,
Rick Ivey
Senior Pastor
