Galatians 6:9

Hello,

I am so thankful for the generosity shown by Wesley United Methodist Church has received this week. Despite it being a challenging year, you have shown true Christian generosity. In this week alone, your church will be sending close to \$12,000 dollars to St. Charles UMC near New Orleans to support relief of Hurricane Ida along with a great deal of supplies. Saturday, we will be building beds for children in our area and donating bedding for each bed.

This past week, I shared with you that we are in a financial deficit this year and need your help. The good news is that we have already received significant donations to help with the deficit, and if we all do our part, we will have everything we need to finish the year on track. Please consider making a make a financial contribution this year if you have not already done so. If you are able, please catch up during the month of September on your financial pledge. Please also prayerfully consider giving the church a financial gift that goes beyond your annual pledge to help us overcome the deficit.

I know God will provide us with everything we need if we faithfully give as we are able.

Please contact the church office if you have any questions.

In Christ,

Rick Ivey
Senior Pastor

Roots

Meets in Room 101
We are a small group of mostly parents. We lead book studies and video studies each Sunday.

The Way

Meets in Room 105
We are a young adult group that enjoys taking a closer look at what it means to live out our faith each and every day.

Breakfast Club

Meets in the Youth Room
We are the youth-led Sunday school and we meet over breakfast to discuss the sermon and worship service each week.

Wesley United Methodist church has spent \$58,000 dollars this year to either replace or repair air conditioning. We are thankful to those of you who have contributed to the building fund in past years so that we have had adequate funds to do so. Giving to the building fund is a great option for donations or memorials because in the upcoming years we will need to spend approximately \$150,000 more to replace other units that are over 18 years old. Thank you for your generosity!
