## FROM THE PASTOR

**“ He died for the sake of all so that those who are alive should live not for themselves but for the one who died for them and was raised.**

**So then, from this point on we won't recognize people by human standards. Even though we used to know Christ by human standards, that isn't how we know him now. So then, if anyone is in Christ, that person is part of the new creation. The old things have gone away, and look, new things have arrived!”**  
**2 Corinthians 5:15-17**

We celebrate Easter and the resurrection each spring because it fits so well in a season when everything is blooming, growing, and renewed.

What if your life could be renewed? What if there was a way for your life to flourish?

In the upcoming weeks we are going to be offering a way for you to discover more about what God wants for your life and how you can follow Jesus more closely.

The Younique study will be offered online by the pastors and leaders of your church through Zoom meetings. Each week we will have a short lesson, discussion, and fellowship. This is a unique time, we have a unique opportunity to discover more about God, and each of us will benefit from these groups.

If you did not receive an email with the information for the groups please contact Amanda at [aayers@wesleyumc.com](mailto:aayers@wesleyumc.com)

Hope you will join us,

*Rick Wey*

## EASTER LIVING CROSS

We need fresh flowers for our Living Cross. The cross is outside the church office. Stop by at anytime to place flowers on the cross for Easter Worship. Please remember to use social distancing guidelines and wash or sanitize your hands before and after you place flowers on the cross.

## YOUNIQUE

We are looking forward to Easter and the season following. One thing that we will be doing then is to start a discipleship program called Younique. We'd love to do this in person, and will as soon as we are able, but we will start through video conferences or Zoom meetings after Easter. Your pastors and other church leaders will be leading small groups so that as many people can participate as would like to. Our vision is that we can go through this as a whole church. Wouldn't it be amazing if everyone in our church could participate in for 6 weeks? Be on the look out for more information in the next couple of weeks.

Grace and Peace,

*Matt Cecil*
