#### Luke 11:53-12:12

**“Be on your guard against the yeast of the Pharisees, which is hypocrisy. There is nothing concealed that will not be disclosed or hidden that will not be made known. What you have said in the dark will be heard in the daylight, and what you have whispered in the ear in the inner rooms will be proclaimed from the roofs.”**

Yeast is small, almost invisible. Yet, it's able to change whatever it contacts in a huge way. Yeast can cause bread to rise or juice to ferment. Just a little bit of it will have an impact on whatever it is mixed.

Jesus reminds us that we are like yeast, able to influence, impact, and change the people in our life. We are either going to share the yeast of hypocrisy like the Pharisees or we will share the Kingdom of God. We might like to imagine that our life does not have an impact on others or think that there are more than the two options of hypocrisy or Kingdom. However, we all have witnessed one person in a group being a big force for success or big reason a project fails.

#### How are you using your influence?

These upcoming weeks are amazing opportunities for you to invite people to church for an egg hunt, meal, worship service, or choir cantata. Wesley is a great church and I hope you will invite people to be a part of it.
