# FROM THE | PASTOR

Thanks for being such a faithful church during this difficult time. We are certainly all in uncharted territory as we navigate the upcoming weeks. We hope and pray this worship schedule will provide the people of our congregation and community the opportunity to worship safely while limiting the chance for the virus to be spread. Miss you all, love you all, praying for you all.

In Christ,

*Rick Wey*

## Guidelines for worship

### Summary for the Sundays May 3-17:

We encourage everyone in the high-risk use to stay home and make use of our live-stream for the upcoming weeks. We miss you but want to do everything we can to keep you healthy.

- 8am service in the sanctuary will be prioritized for those in high-risk group. Please only attend if you are high-risk or 65+. We will use  $\frac{1}{4}$  of seating near sound booth for 8am service only.
- 9am service in Praise Center. Extra chairs and space between rows added.
- 10:30 service in Sanctuary. We will use  $\frac{3}{4}$  of seating that was not used at 8am and observe social distancing.

Adult Sunday Schools are allowed to meet and we ask each group to sanitize their own room after they are done. Many of our classes are making use of Zoom and it may be best for you to continue to do so for the upcoming weeks.

Students will resume student ministry on Wed. nights starting 5/6.

No Choir, children's Sunday school, nursery, acolytes, until at least May 24.

### Here is what we are doing to keep you safe:

- Worship spaces will be sanitized each week.
- Further guidance on attending worship:
  - Ensuring proper spacing between attendees:
    - Keep at least two empty seats (or six feet separation) between parties in any row, except as follows:
      - 2 or more members of the same household can sit adjacent to one another, with two seats (or six feet separation) empty on either side.
      - 2 individuals who are not members of the same household but who are attending together can sit adjacent to one another, with two seats (or six feet separation) empty on either side
    - Alternate rows between attendees
  - Alternating rows between attendees
- If you have any of the symptoms of Covid-19, we ask you to please stay home.
- We encourage wearing face masks, gloves, etc., washing hands, and observing social distance at all church services.
  - If you happen to have extra masks that you would like to donate for use each week, please contact Amanda Ayers so we can arrange drop-off at church.
- Please refrain from hugs, handshakes, and other contact with people who are not members of your household while attending worship.

This information is all subject to change in the event of further outbreak in Beaumont area or direction received from government officials.
