### FROM THE | PASTOR

**The end of something is better than its beginning.**

**Patience is better than arrogance.**

**Don't be too quick to get angry**

**because anger lives in the fool's heart.**

**Don't ask, "How is it that the former days  
better than these?"**

**because it isn't wise to ask this.**

**Wisdom is as good as<sup>[a]</sup> an inheritance—**

**an advantage for those who see the sun.**

**Wisdom's protection is like the protection of money;  
the advantage of knowledge is that wisdom pre-  
serves the lives of its possessors".**

**Ecclesiastes 7**

Places and opportunities are starting to open back up again. Many are already back to work or never stopped. But for some, there is still slack in your schedule. Ecclesiastes 7: 8 has always reminded me of the power and importance of finishing or completing tasks and avoiding future problems with wisdom and foresight.

Stopping a problem before it happens or gets expensive is as good, and far better than paying a high price when there's an emergency.

Fretting, worrying, imagining it will go away on its own, is worthless.

What do you need to finish or complete in the next couple of weeks? Who do you need to call? What do you need to ask God's help with? What is still on your to-do list you could take care of today?

Pretty soon, you and everyone, else will be back to not having a moment to spare.  
Finish it now.

In Christ,  
*Rick Ivey*

# GARAGE

# SALE

Church, we thank you for your support of the Garage Sale this year. We have collected a record amount of items to this point, but the pandemic has caused some changes in our planning. For this reason, we will no longer be accepting donations at this time. Our Garage Sale is currently scheduled for mid-June. We are looking forward to this time, but recognize it might simply be impossible to hold the Garage Sale that early this year if the virus continues to remain active. We are following all federal, state, and local orders and medical advice and will use all the information available to determine when we are able to hold the Garage Sale. We will act in the best interests and the safety of our volunteer workers and our customers to offer as much support for the mission work we do within our community with the Garage Sale as we can this year.

*Grace and Peace, Your Garage Sale Team*
