In 1992, Michael Plant, a popular American yachtsman, was involved in a shipwreck that took his life. When the wreckage of his sailboat was discovered, the recovery team noticed an 8,000 pound weight needed to keep the ship upright, and able to harness the power of the wind, was missing from the bottom of the boat. It was a weight that no one would ever see because it was always under the ship and below the water line, however it was essential to the success of the ship.

In Matthew chapter 6: 5-6, Jesus gives his disciples instruction about how to make sure they have the needed spiritual weight to keep their life upright and able to harness the Spirit of God.

"5 "And when you pray, do not be like the hypocrites, for they love to pray standing in the synagogues and on the street corners to be seen by others. Truly I tell you, they have received their reward in full. 6 But when you pray, go into your room, close the door and pray to your Father, who is unseen. Then your Father, who sees what is done in secret, will reward you. "
Matthew 6: 5-6

Daily and frequent prayer, along with other spiritual disciplines, helps us grow in in our faith and understanding of God. It helps us develop the connection we need with God so that we can receive direction, instruction, clarity, and so much more from God.

Jesus cautions us that prayer is to be done in private while no one is watching. The goal of prayer is to get to know God as our reward, rather than being seen or applauded by others for practicing our faith.

I hope each of us takes the invitation from God to pray and seek our Lord seriously and that we practice it at least daily.

In Christ,

Pastor Rick Wey

Rise Against Hunger Packaging Event Sunday, May 26 - 11:00am-2:00pm

Wesley is partnering with Rise Against Hunger to put on a packaging event. What is Rise Against Hunger? Well Rise Against Hunger is an organization with a mission is to end hunger in our lifetime by providing food and life-changing aid to the world's most vulnerable and by creating a global commitment to mobilize the critical resources. They are committed to ending hunger by 2030. To do this they have many programs including educating and empowering local sustainable farming, crisis relief, and through the meal programs. So what is a packaging event? A packaging event is a fun, educational way for groups to literally lend a hand to people in critical aid need across the globe. We combine an assembly line process with an educational experience to make a huge impact worldwide. They may look like simple bags of rice and soy, but Rise Against Hunger meals represent the hopes and dreams of people worldwide. **So join us May 26 from 11am-2pm for this event which will follow our combined 10:00am service in the Praise and Worship Center.**
