**"The Lord spoke to me, taking hold of me and warning me not to walk in the way of this people: 12 Don't call conspiracy all that this people calls conspiracy. Don't fear what they fear, and don't be terrified. 13 It is the Lord of heavenly forces whom you should hold sacred, whom you should fear, and whom you should hold in awe."**  
**Isaiah 8:11-13**

I think one of the reasons the Bible is so timeless is it captures the realities of the world and existence in a profound manner. I am not talking about the miracles as much as the tragedies that happen.

The passage from Isaiah gives us great insight into how we can live our lives so that we are prepared for the inevitable storms and hardships that might come our way.

God speaks to Isaiah and tells him to pay more attention to the words of God, his creator, than the words of the people of his day. We are invited to do the same.

Listening carefully to God's word by reading or listening to the Bible gives us the spiritual depth and strength of soul we need to endure the difficult problems that we will face. And we will also need that same strength to help others through the hard times of their lives as well.

Read or listen to scripture each day. Find it on Audible and listen to it on your way to work. Enjoy a little bit of it each day and you will be surprised how quickly you are able to gain wisdom and insight from its passages. It always helps to have a group to study scripture as well. So find a Sunday School class or a small group to help you gain even greater insight into the Bible.

In Christ,

*Pastor Rick Wey*

## Rise Against Hunger Packaging Event Sunday, May 26 - 11:00am-2:00pm

Wesley is partnering with Rise Against Hunger to put on a packaging event. What is Rise Against Hunger? Well Rise Against Hunger is an organization with a mission is to end hunger in our lifetime by providing food and life-changing aid to the world's most vulnerable and by creating a global commitment to mobilize the critical resources. They are committed to ending hunger by 2030. To do this they have many programs including educating and empowering local sustainable farming, crisis relief, and through the meal programs. So what is a packaging event? A packaging event is a fun, educational way for groups to literally lend a hand to people in critical aid need across the globe. We combine an assembly line process with an educational experience to make a huge impact worldwide. They may look like simple bags of rice and soy, but Rise Against Hunger meals represent the hopes and dreams of people worldwide. **So join us May 26 from 11am-2pm for this event which will follow our combined 10:00am service in the Praise and Worship Center.**
