FROM THE | PASTOR

"The one who supplies seed for planting and bread for eating, will supply and multiply your seed and will increase your crop, which is righteousness....Your ministry of this service to God's people isn't only full meeting their needs, but it is also multiplying in many expressions of thanksgiving to God."

2 Corinthians 9: 10-12

God has richly blessed us as a church this year. We have seen growth and blessings throughout the year. Like you, I am thankful for all God has given us as a church and look forward to what God will do next. We are a church with a history of over a hundred years that continues to faithfully share the gospel and do the work of the kingdom. On Sunday, I shared with the church some of the things I believe we can do in the upcoming years.

In 5 years, we can be a part of helping to start a new church in another area. New churches reach people who would otherwise never attend a place of worship. It would help us to multiply the kingdom of God in a huge way!

In 2-3 years, develop more Christian leaders through apprenticeship. In our area, we will continue to see growth. We need to be ready to meet the needs and advance the ministry of our church. This is going to require more leaders!

In the next 2 years, we also need to update our education building. The education building is heavily used each week. Our Wesley Day school, children's Sunday school, adult bible studies, A.A., and our Student Ministry all heavily depend upon having a building that supports their ministry. It is time we invest in making it a space where kids and families will be excited to come each week.

Thank you for being a part of Wesley United Methodist Church. I look forward to seeing how your faithfulness and generosity will result in God multiplying our ministry to the Beaumont area and beyond.

In Christ,

Rick Ivey

BOOKWORMS

This month's book is "The Engagements" by J. Courtney Sullivan, a tale spanning about 100 years and focusing on four very different marriages. It also is a tale of diamonds and what they mean in connection with love. And here's a bit of trivia for you: The first diamond engagement ring was commissioned in 1477 by the Archduke Maximillian of Austria for Mary of Burgundy. Don't take my word for it; the American Gem Society said so. The meeting is November 19, so start reading soon!

Liz & Mike Wiggins have the pleasure of announcing the marriage of

Sarah Wiggins and Ty Abshire

June 29, 2019 in Houston, Tx

We would like to invite our church family to join us for a celebration

November 17th, 2019 in the parlor
at Wesley MC from 2:00 - 4:00pm
